

Friends of Dane County Parks Endowment Fund

The Friends of Dane County Parks Endowment Fund is managed by the Madison Community Foundation. Almost any asset, including cash, stock and real estate, can be donated to the Endowment and is eligible for tax benefits.

The Madison Community Foundation will distribute earnings from the Endowment to Dane County Parks every year to support education, interpretation and volunteer opportunities in the Dane County Park System. Madison Community Foundation will ensure that the fund distributions are used properly.

The Endowment will be used in the following ways:

Interpretation – creating opportunities to explore the cultural heritage, archeology, geography, climate and natural resources of Dane County.

Education – engaging park patrons, children, communities and organizations in outdoor learning.

Volunteerism – supporting and encouraging park patrons to bring creativity and life to the park system.

Support Your Parks!

Your generous donations will help us maintain and improve the parks in Dane County. Here are some of the many ways in which you can put your money to work.

Donations

Got an idea for a new project in the parks? Would you like to see a current project through to completion? Your money can be designated for a specific project of your choosing.

Projects Include:

- Information Kiosks
- Dog Exercise Areas
- Disk Golf Course
- Playgrounds
- Prairie Restorations
- Trails

Or you can give to our general fund and let us use the money where we need it most.

Leave A Legacy

Want to make a lasting mark in our parks? Donations of real estate or easements are another way you can contribute. Your land will be the foundation upon which future generations will grow.

Volunteer Program

Support the Dane County Parks Volunteer Program. Donate your time by joining us in hands-on work to maintain and preserve our parks, or donate money to help provide the tools and equipment to keep our volunteers ready for action!

The Lussier Family Heritage Center

The Heritage Center provides a beautiful space for meetings, educational programs, and special events. Donations can be used for facility maintenance or specific programs.

In Remembrance... Memorials

Donations can be made towards the installation and maintenance of a bench or an informational kiosk as a memorial to a loved one. These display a plaque with the name of the person or persons being memorialized.

If you wish to make a more anonymous memorial, consider purchasing a tree or prairie planting.
