

PARC & Ride Grant Program

PROJECT DESCRIPTION

Describe the project scope and include a discussion on the following evaluation factors:

- Provides a new linkage to a Dane County Parks property, other bikeway routes or paths, or to a neighborhood or community
- Located along a river or lakeshore
- Anticipated bicycle use
- Connects low income neighborhood or housing to a larger trail system or green space.
- Provides additional amenities such as benches, observation decks, accessible fishing pier, bike repair station, kiosk, shade structure, etc.
- Complements development activities in the surrounding area
- Identified in multiple plans such as a local comprehensive plan and Dane County Bicycle Transportation Plan
- Budget and secured financial resources

PROJECT DESCRIPTION Cont.

PROJECT TIMELINE

Provide key project implementation milestones and timeline:

Example:

All grants and sponsor matching funds secured – December 2018

Construction plans and specifications completed – June 2019

Permits and approvals secured – August 2019

Start construction – September 2019

End construction – November 2019

PROJECT DELIVERY PLAN

Describe who will be performing project management activities such as construction management and oversight duties:

PROJECT OPERATIONS AND MAINTENANCE PLAN

Describe how the project will be operated and maintained, who will be responsible for performing those activities, and what financial resources are available for it:

RECOGNITION

Describe how you will recognize Dane County's financial contribution to the project, if funded:
