

December 9<sup>th</sup> 2024

**To:** Property Owners, Emergency Personnel, Residents along Catfish Court/River Road/Bong Road

**From:** Madison Metropolitan Sewerage District – Northeast Interceptor Waunakee Extension Capacity Improvements Phase One - Construction Team

**RE:** We are reaching out ahead of the upcoming roadway closure to provide additional information to adjacent stakeholders.

**WHEN:** Starting **7:00 am Monday morning December 23<sup>rd</sup>** construction staff will close River Road from the intersection of STH 113 heading east along River Road for approximately 150 LF of roadway. This closure of River Road is expected to last until the end of day Saturday December 28<sup>th</sup>. Anticipated working hours will be from 7 am to 7 pm, Monday through Saturday.

**WHAT:** Crews will be installing a new 36” diameter sanitary sewer across River Road for a new MMSD interceptor sewer line traveling along the STH 113 corridor up to Kennedy Road.

**ACCESS & ACOMMODATIONS (during the closure):**

- No access will be permitted to River Road at the intersection of STH 113. All area residences/businesses WILL be able to access their property via the posted detour (Utilizing Bong Road and River Road.)
- Emergency Vehicle Access will be available to Emergency Services/EMS Personnel (if required).
- Yahara Heights Dog Park WILL be open during this closure but will have to be accessed via the posted detour route (Bong Road and River Road).
- Temporary concrete will be installed and utilized for vehicle traffic for the winter/spring months of 2025.
- Permanent pavement restoration/replacement will be completed in summer of 2025.

Thank you for your cooperation and patience while we complete this work across this roadway.

Sincerely,

*Derrick Rice*
